

- 1) we are kindly asking you to support us by coming to our fundraising concert.
- 2) we shall be able to show you how big our passion for music is.
- 3) Zoe felt as if she were in heaven.
- 4) They all looked as pale and uneasy as herself.
- 5) By the end of the day, that one task completed will have turned into many tasks completed.
- 6) If you can't do little things right, you will never do the big things right.
- 7) When you are searching, you are not browsing, nor are you "just looking"
- 8) Leave those activities to the rest of the sheep.
- 9) growing evidence shows that a continuous lack of sleep increases the risk for developing serious diseases.
- 10) the need to predict goes deeper than this; it influences every part of our lives.
- 11) the process of labeling emotional experience is related to greater emotion regulation and psychosocial well-being.
- 12) the percentage of people who used online learning materials was higher than that of people who used online courses.
- 13) This skill came in handy when he made lenses for his simple microscope. He saw tiny veins with blood flowing through them.
- 14) Similarities make us relate better to other people because we think they'll understand us on a deeper level than other people.
